FISCAL IMPACT STATEMENT

LS 6299

BILL NUMBER: HB 1061

NOTE PREPARED: Jan 19, 2010

BILL AMENDED: Jan 14, 2010

SUBJECT: County Identification Security Protection Fee.

FIRST AUTHOR: Rep. Smith V

FIRST SPONSOR: Sen. C. Lawson

BILL STATUS: As Passed House

FUNDS AFFECTED: **GENERAL**
 DEDICATED
 FEDERAL

IMPACT: Local

Summary of Legislation: (Amended) *CISP Fee*- The bill provides that beginning July 1, 2011, the \$2 county identification security protection fee (CISP fee) shall be deposited in the following manner: (1) \$1 in the county recorder's records perpetuation fund (CRRPF). (2) \$0.50 in the county identification security protection fund (CISP fund). (3) \$0.50 in the county elected officials training fund (CEOTF).

CEOTF- The bill also requires each county to establish a CEOTF. The bill provides that money in the fund must be used solely to provide training of county elected officials.

Circuit Court Clerk Training- The bill provides that an individual elected to the office of circuit court clerk after November 2, 2010, must complete at least 15 hours of training courses within one year, and 40 hours of training courses within three years after beginning the individual's term as circuit court clerk.

Effective Date: July 1, 2010.

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures: *CISP Fee*- A reduction in the amount of revenue sent to the CISP fund could affect redaction expenditures made by the county recorder in future years. (See *Explanation of Local Revenues*.)

(Revised) *Circuit Court Clerk Training*- The addition of circuit court training would increase local

expenditures, which would presumably be covered by the amount of funds available in the county CEOTF created by the bill.

Background Information- The Association of Indiana Counties (AIC) currently charges \$50 per person to attend a training session.

Explanation of Local Revenues: *Summary:* The bill would require the deposit of \$1.00 of the revenue collected by the \$2 CISP fee into the CRRPF, \$0.50 into the CEOTF (created by the bill), and \$0.50 into the CISP fund. Therefore, it is estimated that \$1 M in CY 2011 and \$2.8 M in CY 2012 would go to the other funds. [Given the effective date of the provision, only the second half of CY 2011 collections would be affected.]

Background Information- The following table shows projected CY 2012 collections in the five largest counties (by revenue collected). The table also shows the amounts of that revenue that would be projected to be sent to the CISP Fund, the CRRPF, and the CEOTF.

County	CY 2012 Estimated Revenue*	Recorder Perpetuation Fund (50%)	I.D. Security Protection Fund (CISP Fund) (25%)	Elected Official Training Fund (CEOTF) (25%)
